“Hi Audie! I miss you. I miss how easy it was to talk with you, no matter what it was about. We always had a giggle together. I will miss your smirk and your way of looking at things. I will miss the many fun times we had together especially when the four of us went on holidays. I will miss the chats we had about things closest to our hearts. It was so easy to be together. I will miss you until we meet again. Then we can sit and visit. I love you my dear friend Audie.  
Your friend, Linda Wade
