

## Barbara Ann Deters

October 18, 1942 - April 18, 2026

With sadness, the family of Barbara Deters announce her passing at the age of 83 years, following a life well lived.

She will be greatly missed by her children Quincey, Karl, Kelan (Jessica) and Kurt (Jessica); her grandchildren Spencer (Michelle), River, Keira and Danica; sister in law Louise Krewusik; nephews Rob, Devin (Laura), Cale, Kelsey and Liv; and Bernard and Sheila.

Barb was predeceased by her parents Harry and Ann Krewusik and her brothers, Nelson and Bob.

She was a loving mother and grandmother. Her family was the most important thing in her life. Out of all the many places in the world she visited her favourite was home.

“ *Worked with Barb on a project 30 years ago. She was the ultimate pro. She was very cool and had a wicked sense of humour. We did some great work and had many, many laughs along the way.*

*RIP Barb. 🙏*

*I will always see Barb, dog in arm, cigarette in fingers, a drink or not in hand, and that hearty laugh - I still hear it. She helped Dennis so much with Maureens Estate due to her incredible memory of events and dates.*

*A good person and a true friend are hard to find - our Maureen found two of them Barb and Arlene.*
