

Carla Marie Lymbery

August 12, 1962 - December 26, 2025

It is with extreme sadness that we announce the sudden passing of Carla Marie Lymbery born August 12, 1962 who left us on December 26, 2025 at the age of 63.

Carla was a woman defined by her strength, work ethic, and unwavering love for her family.

She worked hard her entire life, always putting the needs of others before her own.

Her determination and resilience were an inspiration to everyone who knew her.

Above all else Carla loved her children and grandchildren.

Her love was evident in every hug, every sacrifice, and in the pictures of family lining every wall in her home.

She found her greatest joy in being a grandmother. She loved spoiling her grandkids at every opportunity, spending time with them often, and bringing them orange juice and muffins at every visit.

Her passing was sudden and unexpected, leaving a great void in our lives. We are forever grateful for the lessons she taught us, the love she gave us, and the memories that will live on with us.

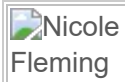

Carla is survived by her children Candice (Len) Pelechytik, Glendon (Megan) Orr and Ashley (Austin) Moore, her 7 grandchildren, and her brother John Lymbery.

She was predeceased by her mother Phyllis Baerg, father John Robert Lymbery and her brothers Curtis and Derek Lymbery.

A celebration of life will be held at a date to be announced, to allow for family and friends to attend.

She will be forever loved, deeply missed, and never forgotten.

“ I will always know Carla as my coworker turned friend. She was sweet, caring and kind hearted. She always put everyone’s needs before her own. I looked forward to working a shift with her: she was great and she make work more tolerable. I will miss hearing her talk about the love she had for her family. I love you Carla, rest well.

“ I babysat the Lymbery children for many years and Carla was special being the only girl with rambunctious brothers. She would have been a baby when I started to babysit and probably 6 when I moved away. My many condolences to her family and she will leave a void hard to fill.

Cherish all your good memories.

Memories are the loveliest things

They last from day to day

They dont wear out

They can't get lost

And no one can ever take them away!

“ So very sad and devastated to hear about Carla’s passing.

My heart aches for Candice, Glen and Ashley and all of her grand children. I know they meant everything to her.

I’ve had the pleasure of knowing Carla since Candice has been in our family.

She had a big heart and was full of compassion as this was clearly passed down to Candice.

During family events, Carla and I would kiddingly chat about Len and Candice buying an acreage and building two mother-in-law suites for the two of us to live in.

May all of the good and loving memories of Carla , remain in her children’s hearts forever.

She will be fondly remembered and deeply missed.

Catherine and Laurier.
