Winnipeg, Manitoba is where he was raised and attended school . In his later teenage years he left home and worked his way to Fort Assiniboine, Alberta where he called home. His career life consisted of truck driving, operating heavy equipment, sawmill, ranch hand, and carpentry. Always willing to help out a friend in need, and to grab a coffee to catch up on any events in the community. Hunting and woodworking were his passion and kept him busy in his later years after his back injury and metal rod fusion surgery.

Life Is but a Stopping Place

Life is but a stopping place
A pause in what's to be
A resting place along the road
to sweet eternity
We all have different journeys
Different paths along the way
We are meant to learn somethings
But never meant to stay
our destination is a place
Far greater than we know
