“ Dori was a kind person & a wonderful friend. I am one of the Home Depot girls who knew Dori for 20 years +. When we got together, we shared good & bad times. They pulled me through some rough times. Doris was always there with heartfelt understanding. I'm so happy that you were part of my life. I'll miss you. Deepest sympathy to the family.

“ *Although a group of us got together regularly for dinner every 1 or 2 months for 20 years we knew each other even longer than that. We were friends, like family and mini psychiatrists together. When we sat around the table... everything and anything was put on the table. We shared our joys, our sad times, of which this is the toughest. We helped in every way and any way we could. We cried together and we laughed together. I'll miss seeing you so much my sweet and kind Dori but you'll be with me forever.*

“ *My heart aches to hear your voice again but who I became, because of your guidance, will give me the strength to live life to its fullest without you here. I know you will watch over us all from above.*

I promise to be the best I can be and give my girls that same support and love you did for me all these years. I am forever grateful for the most loving Mutti there is. One day we will meet again but until the. You will forever be in my heart.

Love always,

Your daughter Cindy

“ *Doris was appreciated by family and friends for her kindness and spirit. Strangers became lifelong customers, seeking her out for her helpfulness and Uncommon good sense. We hope to become as gracious, as the example she set. Thank you for being you, Omi!*

“Dori and I met when I started at Home Depot in Strathcona Back in 2002 her and I both worked paint and decor together. We became fast friends that's for sure Her knowledge and my wit went to long Way. We soon met up with some other amazing ladies from Home Depot as well Jeanie and Carol we all would go for lunches or dinners together And we all became very good friends. When I left Home Depot in 2004 I vowed that we would get together every month or every second month for dinners and we'd always stay in touch which we had done. We have been getting together for 20 years. The time spent together and the memories we made I will cherish forever. This kind of beautiful friendships are hard to come by. It has been my honour and privilege of having Dori in my life all these years Her passing leaves a huge hole in my heart. My deepest condolences for Cindy and Tina, and all the rest of the family. Through all of our conversations, she had nothing but the best to say about her family. She loved them very, very much. May you rest high upon that mountain Dori. Until we meet again. I love you, my dear friend in my heart ❤️ always.
