

Kathleen Sharon Berg (Wemp)

May 20, 1946 - December 23, 2024

Kathleen Sharon Berg, lovingly known as Kathy, passed away peacefully on December 23, 2024, surrounded by her family. Born in Calgary, Alberta, Kathy lived in various cities and counties throughout the province.

She will be missed by her husband, Lorne Berg; her children, Ian Johnston (Katrina), Michelle Grad (Danny), and Tena Dechambre (John); her seven adored grandchildren; her sister, Vicki Wemp (Bob Ostafiew); and her sister-in-law Patricia Wemp. Kathy is now reunited with her siblings Ann Johnson and Alan Wemp, and her parents, Helen and Gordon Wemp.

Plants and animals were a connection to nature that brought Kathy immense joy. This was reflected in her beautiful gardens and devotion to her beloved pets. She shared a passion for training thoroughbred horses with Lorne. Together, they celebrated a long career in horse racing, which included proud moments such as wins in the Alberta Stakes Race and Tampa Bay Derby.

Kathy was creative and talented. She enjoyed designing and crafting cherished gifts for friends and loved ones.

Kathy taught us by example about love and connection. Her resilience and tenacity have inspired us. Her family and friends will remember her kindness and the joy she brought to their lives. Kathy's 48-year journey in a Fellowship

is where she found support, purpose, and hope, and where she inspired strength, compassion, and hope in others.

A Celebration of Life will be held in the spring of 2025, and the family will announce the details at a future date. Donations in Kathy's memory may be made to WellSpring Cancer Support (wellspring.ca).
