“ *Oddly enough. Auntie Lana gave me my 1st Cigarette at an early age. It was a kindness she did, because, I quickly learned that cigs were the quickest way for me to throw up my lunch. Auntie Lana laughed so hard at me both trying to smoke and at my lunch launching into the toilet. When Lana laughed it was either a little snicker or a full belly laugh. I will always remember her laugh. Loved you Auntie Lana!! So sad we didn't get out to see you one more time.*
