In lieu of flowers, donations in Lindsey's honour may be made directly to the Cerebral Palsy Association via e-transfer, to finance@cpalberta.com indicating the donation is directed to " Edmonton In Person Music Therapy Program."

Lindsey was born in Edmonton on October 15, 1982.

Her life was rich with many friends and interests, particularly horseback riding for 19 years with Little Bits Riding Association, creating and painting pottery, attending art classes at both the Art Gallery of Alberta and the Nina Haggerty Centre for the Arts. A favorite class of hers for many years was created by the Cerebral Palsy Association: The Music Therapy Program which she attended weekly.

She lived a full and healthy life, joining her family on many winter and summer vacations, including the family cabin at Robb, AB. She loved family sing-alongs and being with family at many outdoor evening fires. She was always happiest when together with her family..

The past two and a half years Lindsey enjoyed greater independence, and a peaceful, happy life, living in her condo, 7 minutes from our home, with her supportive roommate. She loved the activities she attended with her day program support worker and the time spent together at the condo.

Lindsey loved her staff; they became family, and many happy celebrations took place with them all.

Lindsey lived a joyful and purposeful life and will be lovingly remembered. Her bright light and beautiful spirit will stay with us through the coming years.

FOR ALWAYS AND FOREVER OUR LINDSEY YOU'LL BE
