“ I cannot even begin to describe how deeply I miss my Mom. Our long walks in nature, taking time to point out the coolest rock or the most beautiful flower. Our shopping days and lunch dates. Special family dinners, I miss your cooking. I miss our phone calls, we talked about nothing and everything and always saying, "I love you" before hanging up. I miss you Mom. Thank you for the unconditional love and friendship.

Love Erin

“ My condolences to Bill, Erin, Alana and her grandkids. Loretta loved you all so much and would always talk about you all so lovingly. From what started as a work relationship it blossomed into a true friendship. Loretta was always there for laughs, hugs, and just when you needed to sit around and just be. I will true miss you sweet lady, thank you for being you. Rest in peace Loretta.

“ Loretta was a beam of light. My role model. She was the best mom, wife, sister and aunt. I have nothing but fond memories of her. I loved her so much. She saved me in my teen years. I will forever remember and cherish her presence.

“ She really was a lovely human being. Kind , generous and patient (especially with me her kind of miserable sister-in-law. Will be greatly missed.

“ So many memories of my dear sweet friend. Living next door to her in Gibbons and all the crazy times we had. All our trips we did together, all the visits her and Bill made to the Island.

She was there for me always. After the death of my daughter and taking care of me when I was homeless after the fire I went through. She sent me a beautiful blanket that I hug in her memory. Love her forever.....

Camping at skeleton lake  
The fun we had in junior high and forward  
She was so much fun and had such a big heart. Setting her up will Bill who become the love of her life  
She was definitely a angel who gave so much to all she knew
