

Perry William Mitchell

July 28, 1965 - August 28, 2025

It is with heavy hearts that we announce the sudden passing of Perry William Mitchell, who left us on Thursday, August 28, 2025, at his home in Stony Plain, Alberta. Born on July 28, 1965, Perry lived a life full of strength, laughter, and unforgettable presence.

Perry was the cherished son of Evelyn Ruth Pedlar and William James Mitchell, and the beloved brother of Karen Scott and Linda Wright. He was a proud and loving father to his sons, Liam Hamilton Mitchell and Lucas Connor Mitchell, who were the centre of his world.

A dedicated and hardworking man, Perry spent his career as a Side Boom Operator at RB Sommerville in Alberta, where he was respected for his skill, commitment, and determination. Beyond his work, Perry's passions reflected his creativity and big heart. He was a gifted wood craftsman who took pride in making beautiful, hand-crafted furniture that he gifted to family and friends over many years.

For over 30 years, Perry was also a proud "bird dad" to his beloved umbrella cockatoo, Blue. Together, they were a familiar sight in the neighbourhood, often out for walks or riding Perry's electric scooter with friends. Blue was more than a pet—he was family and Perry's loyal companion through life's many chapters.

Those who knew Perry will remember him as a strong-willed, loyal, and deeply characterized individual. He carried himself with a presence that could not be overlooked and a love for his boys that could never be questioned. He

will be deeply missed by all who had the privilege of knowing him.

A Celebration of Life will be held at a later date. Details will be shared with family and friends when arrangements are finalized.

Perry's memory will live on in the hearts of his family, his friends, and everyone whose lives he touched.

“Perry!! Even though I met you about a short 2 years ago, I learned what a loyal and deep person you were. Your bright familiar smile, personality and just all round good guy, made you a wonderful friend!! A bit of friendly advice here and there and the willingness to help a person in need was never too far away. I miss you my friend, I'm so grateful that you were in my life. God bless and keep your memory forever and a day 🥹. You are missed so much!!!

“Perry and family were our neighbours in Ajax many years ago. We shared a lot of good times, bird sat Blue when his sons were born and numerous little (and not so little) things too too numerous to mention but brought us great joy. You will be missed.
