“ I met Piglet in 1978 CFS Alert (400 miles from the North pole) this is the only time I saw him without Marie. We were posted to Germany and Chatham NB together. Many Many Great memories of camping with the kids and playing music. We tipped a few pints and shots and laughed at everything. A great friend and brother. I have a lot of memories that I can't share for obvious reasons but I will say that there was never a dull moment. Patti and I send our deepest love for Marie, Shawn and the Family.
