

Terry & Judy Miller

February 7, 2025

In loving memory, we share the peaceful passing of Terry & Judy Miller. Terry and Judy met in Winnipeg in 1970 and were engaged within three months. After their romantic courtship, they relocated to Spruce Grove and shared 53 years of loving marriage together, including raising a family, traveling, and having adventures.

Terry (born 1951) spent over 33 years with CN Rail. He will be remembered for his love of sports, camping and his sense of humor.

Judy (nee Brown, born 1952) was an avid reader who enjoyed golfing, camping and baking. She retired from N.A.I.T. as an office manager.

After Judy was diagnosed with Myelofibrosis, a rare untreatable blood cancer and Terry's continued suffering with Parkinson's disease, MAID became a beautiful and fitting choice to leave this world together. This decision was a reflection of their incredible bond and commitment to one another.

They moved on together on February 7, surrounded by their loving family at the Stony Plain Hospice. Survived by their two wonderful sons, Jason (Carla) and Michael (Marcia), two incredible grandchildren, Tyson and Sadie and siblings Harry (Allene), Jim (Matt), Brad (Theresa), Rod, Brian, Darlene (Kevin) and numerous nieces and nephews.

Terry and Judy raised their sons on an acreage outside of Spruce Grove. The four of them spent countless hours camping, vacationing, and watching and coaching family sports. One of their greatest joys was spending time with their grandchildren, especially attending their sporting events.

They will be dearly missed and their memory will continue to live on in the hearts of those who knew and loved them.

A cremation has taken place with a Celebration of Life to be held in April. In lieu of flowers, donations can be made to Parkinson's Alberta or Canadian Cancer Society.

The family wishes to send a special thank you to Lisa, who was Terry's personal caregiver, for her friendship and compassion over the past three years.

"It's hard to forget someone who gave you so much to remember."
