

Vicki King

May 14, 1949 - January 26, 2024

It is with deep sorrow that we share the passing of Vicki King on January 26, 2024, at the age of 74 years, in Edmonton, AB.

Vicki is lovingly remembered by her husband Hugh, daughter Yvonne (Serg), son Jason (Sara), and grandchildren Madison and Sofia.

Whether it be cooking with Madison or doing crafts with Sofia, Vicki loved spending precious moments with her granddaughters. She also enjoyed spending time with friends listening to music and dancing her behind off.

Vicki had a passion for gardening so we feel it only appropriate to hold a celebration of life in the spring when the buds are on the trees and the flowers are blooming.

Donations in Vicki's memory can be made to the Heart and Stroke Foundation of Canada.

“ I feel so fortunate to have known Vikki, I didn't know her that long but I'll never ever forget her, she made me laugh every time I was with her. She told me about her 2 kittens, how much fun they were to watch, I will miss her very much. My condolences to the family, I'm so very sorry for your loss. Janet Adams

“ *I had known Vicky for a number of years, but we only recently started hanging out a lot the last few years. She was always so much fun. Great sense of humor. We enjoyed hanging out at the Newcastle pub, dancing eating good food. Vicki loved to eat, and it's probably the only friend that would share calamari with me! She was always up for the music, festivals and concerts. Halloween was a great time. Her costumes were epic. She won prizes for her annoying tourist outfit and most recently crying over spilled milk. I am going to miss her so much. Sincere condolences to her husband, Hugh, children, Yvonne, and Jason, and her beloved grandchildren. Taken from us way too soon. 😞*

Vicki was a calming lady and through her days on the unit and many years on the unit she was truly what the staff all needed it was like having a mom on the unit. She brought peace and stability through the light that shined through her 🙏

Vicki and I worked closely at the desk for many years! She was always upbeat! Her decorating ideas made our unit feel like home and brought such delight to the hospital. We needed to get together more often but unfortunately that did not happen. Vicki had a heart of gold and now she is walking the streets of gold! Hugs to all who knew her and loved her! May God give you peace!

Vicki was always the light of the unit, her laugh, her smile, her jokes and I never seen Vicki anything but truly happy each and everyday. If the world was filled with more people like Vicki the world would be in such a better place. Vicki will live on in many many hearts forever because we all felt her love and zest for life. Vicki was and will always be unforgettable ❤️🥰
